Multi-talented performer and educator consistently rewarded for success in planning and operational improvements. Experience in overall morale and productivity. I have received multiple awards for my musical performance and overall skill development in that department and I hope to bring my hard work, and attention to detail, to this next job opportunity.

EXPERIENCE

09/2018 – 05/2019

MUSICAL PERCUSSION DIRECTOR, HARDEE JUNIOR HIGH SCHOOL

Worked with a team of technicians to teach multiple aspects of percussion performance and approach to understanding musical theory. I was specifically responsible for snare drum technique and performance.

Devoted special emphasis to punctuality and worked to maintain an outstanding attendance record, consistently arriving to work ready to start immediately for every rehearsal, while ensuring this quality in my students as well.

04/2017 – 08/2018

LAWN CARE SPECIALISTS, FILMCO LAWN MAINTENANCE

Maintained a specific schedule allocated each morning and worked directly with clients to ensure the quality of services. I was specifically responsible for calling and confirming daily schedules, while also utilizing and maintaining machinery.

EDUCATION

MAY 2018

HIGH SCHOOL DIPLOMA, HARDEE SENIOR HIGH SCHOOL

I was involved in many extracurricular programs such as Band, Honor Society, and Florida Business Leader of America. I was then selected to be a part of the Collegiate program my senior year, providing me with the opportunity to complete my high school career as a full-time college student at my local state college, becoming completely self-reliant and graduating with honors.

DECEMBER 2018

ASSOCIATE OF ARTS, SOUTH FLORIDA STATE COLLEGE

Thanks to the collegiate program at my local high school I was able to complete my Associates degree in only one semester after graduating. While also focusing on competing in independent percussive ensembles such as Infinity Percussion, and Riptide Percussion Theater. Earning two Bronze medals at FFCC State Championships.

SKILLS

- Certified in Office 365
- Works well in large groups and teams
- Patient and Hardworking
- Completed backend development in C
- Developed backend code in Java source programming.
- Built the frontend game code in Java.

ACTIVITIES

A relevant passion of mine has always included musical performance. Percussive writing and performance require a great deal of mathematics and spatial awareness. I have been competing in independent ensembles since I was fifteen years old, taking on leadership roles in these ensembles at seventeen and eighteen. I have also volunteered at many health clinics, working at events to help generate a strong and healthy outlet for children and young adults.
